The news from Japan presents even a greater blank than the Chinese news. The present winter at Japan is severe, the country about Yokohama at date of last anyloss being burled in snow. This has doubtless stepped communication and Current Rates, and of where all needful infor-

put an end to the political season. To the same mation may be obtained treasum is to be attributed the suppension of heati-lities against the Prince of Nagato by the Tycoon TAMES B. NORT.
